Letter from A.G.Blake, Esquire, I.C.S., Collector of Bellary, Ref.C.No.3463/36/A.7, dated the 17th June 1937.

(C) In G.O.No.Misc., 960 Revenue dated the 16th April 1935, communicated with Board's Proceedings Misc., No.1609 dated the 26th April 1935, Government sanctioned the transfer, to police department of S.No.432-4-A.2 of Bellary town, measuring 1-24 acres, which was relinquished by the Madras and Southern Mahratta Railway Administration. The market value of the portion transferred at Rs.100/- per acre was also ordered to be credited to the capital account of the Railway. From the sub division records of S.No.432-4.A it is however seen that the extent

of S.No.432-4-A.2 is 1.32 acres and not 1.24 acres. The Agent, Madras and Southern Mahratta Railway Company has relinquished the extent of 0.08 acres and the relinquishment plan, in duplicate, is enclosed. The market value of the 8 cents @ Rs.100/- per acre will have to be credited to the capital account of the Railway Company, from the allotment under "29 Police - Reserved - District Executive Force - District Police - Other supplies and services - Other petty supplies". I, therefore, request that the orders of Govern-ment may be obtained for transferring the portion of 0.08 acres to the Police Department.

REFERENCE.

Submitted to the Government.

2. In the circumstances reported by the Collector, the Board recommends that the extent of 0.08 acres in S.No. 432-4-A.2 of Bellary Town in excess of that already transferred may now be transferred to the Police Department and its market value viz., Rs.8/- may be credited to the capital accounts of the Railway from the allotment under "29 Police Reserved - District Executive Force - District ~~Force~~ Police - Other supplies and services - Other petty supplies".

3. It has already been reported that there are no records to show that the capitalised value of the abatement of land revenue was debited to the capital accounts of the Railway at the time of the acquisition of the lands - vide paragraph 3 of the Board's Reference No.B.7442/34.2, dated the 25th March 1935. No credit need therefore be given to the Railway Administration on this account now.
